

# ImagePerfect™ 2316

## PolyStretch Textile (FR)

**ImagePerfect™ 2316 PolyStretch is a slightly elastic textile medium that utilises a special, treated polyester. It is engineered for easy installation in tensioning and framing systems, POS installations and room dividers. This product has been specially created for digital printing on large-format inkjet printers and is suitable for printing with eco solvent and solvent inks as well as UV-cured and latex inks.**

ImagePerfect™ 2316 is a slightly elastic polyester textile that has been engineered for easy installation in tensioning and framing systems, POS installations and room dividers. It offers a high print quality with remarkable text definition and a large colour gamut to ensure colourful images and vibrant area in-fills. It is suitable for indoor and short-term outdoor applications and is highly resistant to creasing. It can be used for applications such as point-of-sale promotions, advertising banners, textile billboards/posters, textile walls and backgrounds in locations such as retail outlets, trade events, offices, theatres, showrooms and exhibition halls. This product is PVC-free and chlorine-free, it meets the requirements of Oeko-Tex and it can be recycled (unprinted).
