

ImagePerfect™ 2830-201

Clear Matt Indoor Floor Graphics Laminate (FR)

ImagePerfect™ 2830-201 is an embossed laminate with a permanent, solvent-based adhesive system that has been specifically designed for protecting indoor floorminder graphics. It delivers an R10-rated non-slip surface.

ImagePerfect™ 2830-201 is a textured laminate that provides a non-slip (R10), scuff-resistant surface finish with high resistance to wearing. In application, it has a high level of transparency. It should be used as a match-component laminate in conjunction with IP 2521 as the harmonised print media for indoor floor graphic installations. In order to avoid potential lifting of the product, we would recommend that corners are rounded rather than cut to a sharp 90° angle. This laminate must be applied dry (not compatible with wet application).

Specifications	
Description	Indoor floorminder laminate
Colour	Clear matt
Thickness	200mym
Weight	N/A
Adhesive	Solvent based acrylic, permanent
Adhesive Strength	11N/25mm (Finat TM 1/24h)
Non-Slip Rating	R10
Release Paper	N/A
Temperature Range	-30°C to +90°C
Durability (unprinted)	6 months
Flame Retardancy	B1
Shelf Life	2 years, 20°C / 50% humidity
