

ImagePerfect™ 3300 Promotional Film (FR)

ImagePerfect™ 3300 Promotional Film is a high-quality, short-term, matt vinyl range with a semi-permanent, advanced water-based adhesive. This range is available in 50 colours, including black and white which are also available with a permanent, advanced water-based adhesive.

ImagePerfect™ 3300 Promotional Film is suitable for a wide variety of indoor and short-term outdoor applications, such as general purpose signage, exhibition graphics, wall graphics, decorative panels, directional signage, point-of-sale displays, fleet marking (flat panel), public transport advertising (flat panel), etc. The specially-formulated, flexible films and high-quality silicone liner ensure that the films can be cut easily and weeded quickly. A semi-permanent advanced water-based adhesive creates a reasonable final bond to ensure a secure finish whilst retaining removability. Black and white are also available with a permanent, advanced water-based adhesive that creates a strong final bond to ensure a secure and durable finish. This product range is compatible with wet application.

| Specifications | |
|------------------------|--|
| Description | Promotional film |
