

ImagePerfect™ 5700

Delivering the performance your business deserves

The ImagePerfect™ 5700 High Performance range of coloured signage films is designed to deliver the widest range of possibilities for you and your customers.

The combination of a supersoft face film and high-quality PE coated liner with superior lay flat properties makes for faster and easier cutting and weeding.

With an exterior durability of up to 8 years (7 years on the translucent range) and the industry's highest level of fire rating, ImagePerfect™ 5700 films are perfect for all indoor and outdoor general signage and fleet/vehicle applications.

But it's more than just another coloured signage film. Meet the family ...
