

Der ImagePerfect™ Application Stool ermöglicht bequemes Arbeiten beim Car Wrapping oder in jedem anderen Anwendungsbereich bei dem eigentlich eine kniende oder gebückte Haltung erforderlich wäre. Somit bietet der ImagePerfect™ Application Stool eine willkommene Entlastung durch optimalen Sitzkomfort.

Die Rahmen des ImagePerfect™ Application Stool sind aus stabilem Vierkantrrohr gefertigt. Die Qualitätsrollen sind alle um 360° schwenkbar und erlauben ein problemloses Rangieren. Die robuste und gepolsterte Komfort-Sitzaufgabe ist abwaschbar und verträgt somit nicht nur Schmutz, sondern garantiert auch einen hohen Sitzkomfort.

In der praktischen Basisplattform lassen sich viele Handwerkszeuge komfortabel unterbringen. Diese sind somit direkt am Arbeitsplatz, jederzeit sofort griffbereit. Durch die 3-fach Unterteilung ist eine geordnete Ablage der Werkzeuge möglich.

Durch die leichte Montage lässt sich der ImagePerfect™ Application Stool innerhalb von wenigen Minuten zusammen bauen.

Die stabile Ausführung erlaubt eine Belastung von bis zu 120 kg.

Aufgebaut hat der ImagePerfect™ Application Stool die kompakten Abmessungen von 36cm x 37cm x 36cm und lässt sich so bei Nichtgebrauch platzsparend lagern.

The ImagePerfect™ Application Stool allows for increased levels of comfort during applications and installations, such as car wraps, when it would otherwise be a requirement to either crouch or kneel down. As such, the ImagePerfect™ Application Stool delivers welcome relief to what would otherwise be uncomfortable working conditions.

The frame of the ImagePerfect™ Application Stool is made of a solid square bar. The high quality rollers can be pivoted by 360°, thereby allowing for easy movement. The sturdy seat is cushioned for comfort and is washable, combining both convenience and practicality.

The useful base incorporates trays with enough space to accommodate all of the tools required for the job in hand, with the tray dividers allowing for the tools to be organised.

The one-time, easy assembly of the ImagePerfect™ Application Stool ensures that it is ready for use within minutes.

The solid construction carries a load of up to 120 kg.

The ImagePerfect™ Application Stool has the compact dimensions of 36cm x 37cm x 36cm and so, when not in use, it can be conveniently stored to save space.
