

ImagePerfect™ iD7 Reflect Air High-Performance Vinyl

ImagePerfect™ iD7 Reflect Air is an engineering-grade reflective product used for indoor and outdoor applications. The film is a unique construction that enables the product to stretch and conform as needed, and is therefore an ideal product to use for vehicle wraps and fleet applications in addition to standard signage.

Specifications	
Finish	White
Durability (unprinted)	7 years
Roll Width	48"
Roll Length	50 yards
Adhesive	Solvent-based acrylic
Release Liner	PE coated, air-release, 90#
Ink Compatibility	UV, Latex and Eco-Solvent
Recommended Laminates	IP iD9 Fleet Lam or iD5 OptiClear

Features

- High-Performance 7 year face-film
- Available with PerfectApply technology
- Printable with UV, Latex and Eco-Solvent

Benefits

- Unique film that can be stretched during application
- Less chance of “break lines” than competitive reflective films
- Superior lay-flat liner for perfect printability
- Durable solvent-based adhesive for long-term peace of mind

Applications

- Anywhere reflectivity is required
- Fleet and vehicle graphics
- Flat and curved surfaces (compound curves and proper channel applications require care)
- Long-term outdoor signage
